“GRANDFATHER, GIVE US YOUR REVERENCE AND UNDERSTANDINGS”

“SO, THAT WE MAY LIVE ONWARD WITH ALL OF CREATION IN THE FULLNESS OF COMPASSION AND CARING; FOR THE WHOLENESS OF WELL-BEING OF ALL CREATED, IN AN ETERNAL LIFE, NOW AND FOREVER. “

We are inviting you to join with us in our healing prayer as we honor our ancestors who were tragically massacred on this date 122 years ago. In unision, we respectfully ask of you to learn the prayer, and at 9 am, December 29th, we can all give our voices or silently, as we speak to Tunkasikla,God, of our needs.

In this prayer, we also, pray to Tunkasila for deeper understandings for the beauty and sacredness with all our relatives of creation; the two legged, four legged, those that swim, crawl, fly; and also, of all that live in harmony with Unci Maka. As we walk the journey of life, that we may all ACQUIRE THE WISDOM IN the true meaning of ‘MITAKUYE OYASIN”, or “All my Relatives”
